Company profiles		Company profiles	
Lauritz.com Website: www.lauritz.com Founded: 2000 Location: Denmark CEO: Mette Rode Sundstrom Founders: Bengt Sundstrom Management: Bengt Sundstrom (Chairman) and Mette Rode Sundstrom (CEO) Business model: Online auction aggregator Lauritz.com is an international auction house with its headquarters in Herlev near Copenhagen and independently operated partner houses in Denmark, Sweden, Belgium and Germany. Lauritz.com partners pay royalties to Lauritz.com and operate their own Lauritz.com auction houses according to clear guidelines and specific contractual arrangements. Lauritz.com has 1.2 million registered users, and saw €101 million in turnover in 2013. Lauritz.com has 21 auction houses in four countries where sellers and buyers can compare and view items for sale. Lauritz.com has approximately 250 employees, of whom almost half are valuation specialists.	LIVEAUCTIONEERS Website: www.liveauctioneers.com Founded: 2002 Location: Manhattan Founder: Julian Elson and John Ralston Management: Julian Elson Investors: Venture Capital International Business model: Online auction aggregator LiveAuctioneers is an online auction site that connects bidders to auction houses across the world with sales happening in over 47 countries. It also offers services such as catalogue publishing and allows online absentee bidding. They run LiveAuctioneers Tired Live (LATL) which consists of a timed auction platform that is pre-set to close at a specific time for smaller sales. In the last quarter of 2014, it was reported that LiveAuctioneers had had a record year in which the company helped to facilitate nearly \$3 billion worth of gross merchandise sales by connecting approximately one million collectors and dealers from around the globe with over 2,500 auction houses.	LOTSPRIVE.COM Website: www.lotspive.com Founded: 2012 Location: France CEO: Vincent Hubin Founders: Vincent Hubin and Didier Beaumelle Business model: Online members' brokerage platform LotSpive.com is an online platform specialising in sales of art and luxury goods, launched in December 2012 by Vincent Hubin and Didier Beaumelle. LotSpive.com allows consumers to access a rich online catalogue of art and luxury items. This catalogue is constantly renewed by objects from more than 60 houses in European sales, with fixed and preferential prices (30-70% below those practised in the traditional market). MASTERAFF Website: www.masteraff.com Founded: 2012 Location: Global Founder and CEO: Henry Blundell Investor: ArtStation Business model: Online gallery – require to buy Masteraff is an online platform for the display of quality fine art, antiques and collectibles from a select group of expert dealers. Services also include a digital library of art catalogues and virtual tours of the important fairs. The organisation offers a label of quality for the art on display and brings together collectors, traders and art experts. Masteraff.com gives free access to more than 17,000 artworks.	OCULA Website: www.ocula.com Founded: 2010 Location: Hong Kong, New York, Shanghai, Auckland, Sydney, London, Taipei and Berlin Founders: Simon Fisher Business model: Access to art from leading galleries Ocula provides comprehensive online access to leading contemporary artists, exhibitions and galleries worldwide. It seeks to showcase the best in contemporary art to an influential global audience. PADDLE8 Website: www.paddle8.com Founded: 2011 Location: New York (headquarters), London, Los Angeles Founding team: Aditya Jaha CEO, Alexander Giles (President), and Owen Phee (COO) Investors: Museus Partners, Founder Collective, Wellington Capital, Serge Demchenko, Jay Jopling, Damien Hirst, members of the Mellon family and Alexander von Furstenberg Business model: Online auction house Paddle8 is an online collecting destination, presenting auctions of the art, design, collectibles, watches and jewellery, focusing on the middle market (\$1,000-\$100,000). Paddle8 seeks to remove the pain points of collecting and benefits from a commission structure significantly discounted from market norms to connect buyers and sellers around the world. Every work on Paddle8 is vetted by an expert specialist or a trusted partner institution.
LAWACOW Website: www.lawacow.com Founded: 2013 Location: Bucharest Founders: Alexandru Bilbica, Cristina Olescu and Manuela Popciaru Investors: Artmark Business model: Online auction Lawacow is the first online-only auction house from Eastern Europe. It specialises in contemporary art, young and established artists, mostly from Central and Eastern Europe, together with original prints by international icons. A novelty for online auctions, Lawacow displays the first virtual auction room with fully animated auctioneer and bidders, virtually mimicking the experience of a live auction. Users benefit from commissions at half the usual brick-and-mortar auction house norms.	LOFTY Website: www.lofty.com Founded: 2012 Location: New York Founder: Mark Lurie Management: Mark Lurie (Founder and CEO) and Sarah Shinn (Past Director) Investors: Founders Fund, TA Ventures and Jase Marin Business model: Online marketplace (click-to-buy) Lofty is an online marketplace for valuable fine art, antiques and collectibles. Each item listed is reviewed by one of Lofty's 60 plus specialists and granted a five-year authenticity guarantee. Lofty seeks to establish itself as the online market leader for the art, antiques and collectibles priced between \$500 and \$50,000.	NEW BLOOD ART Website: www.newbloodart.com Founded: 2004 Location: London Founder: Sarah Ryan Business model: Sourcing and selling original and limited edition artwork New Blood Art is a digital company that sources and sells original and limited edition artwork by rigorously selected emerging artists, at affordable prices. New Blood Art is committed to conducting a perpetual talent search, and bringing to the website only the most talented artists.
